Dear

I wish to express my appreciation to those individuals in your office who prepared a special map for use on a particularly sensitive project at the National Security Agency. Known participants were

25X1A9A

These people completed an extremely effective map which will assist NSA greatly in accomplishing a unique and highly complex task. The spirit of cooperation, zealously, ingenuity and professional craftsmanship displayed on this project was outstanding and will contribute directly to the successful continuation of this important effort.

The map will also be used for briefing purposes and the scope and detail of research items presented, combined with a professional appearance, will be a continuing credit to your organization.

I wish to express my personal thanks for a job well done.

Sincerely,

John J. Davis
